STURMTIGER

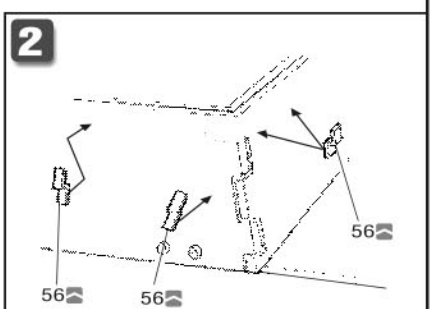

The parts included in this kit are to be assembled in conjunction with the Dragon kit No.7204. For best results in the assembling of photo-etched parts use cyanoacrylate glue. Always remember to use cyanoacrylate glue in a well ventilated area. Before assembling be sure to remove all the parts to be substituted with photo-etched parts. It is advisable before assembling to study well the instructions which accompany this kit plus any other sufficient documentation.
