MICRODETAILS SET
1/35 Scale

15cm PANZERWERFER 42

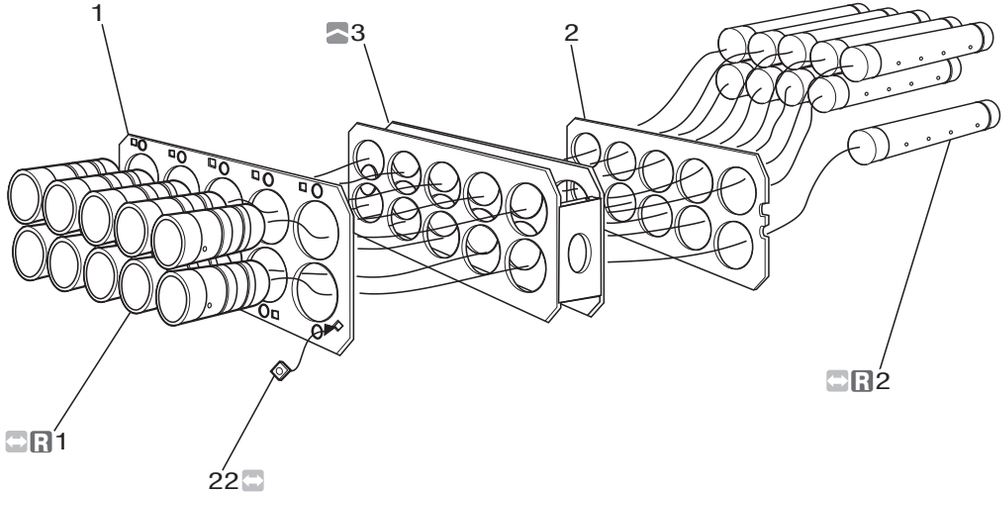

The parts included in this kit are to be assembled in conjunction with the Italeri kit. For best results in the assembling of photo-etched and resin parts use cyanoacrylate glue. Always remember to use cyanoacrylate glue in a well ventilated area. Before assembling be sure to remove all the parts to be substituted with resin or photo-etched parts. It is advisable before assembling to study well the instructions which accompany this kit plus any other sufficient documentation.It is advise to heat the metal parts before glueing, once the metal is hot it will be easier to bend.
