The parts included in this kit are to be assembled in conjunction with the Tamiya kit no. 169. For best results in the assembling of photo-etched and resin parts use cyanoacrylate glue. Always remember to use cyanoacrylate glue in a well ventilated area. Before assembling be sure to remove all parts to be substituted with photo-etched and resin parts. It is advised before assemblig to study well the instructions which accompany this MICRODETAILS SET plus any other sufficient documentation. Note that some particulars illustrated in the instructions have been enlarged for easy identification.

If ulterior details are required for your model it is possible to use added set ROYAL MODEL no. 268 Fenders Tiger II
