Via Federico De Roberto, 65 - 95039 - Trecastagni (CT) ITALY

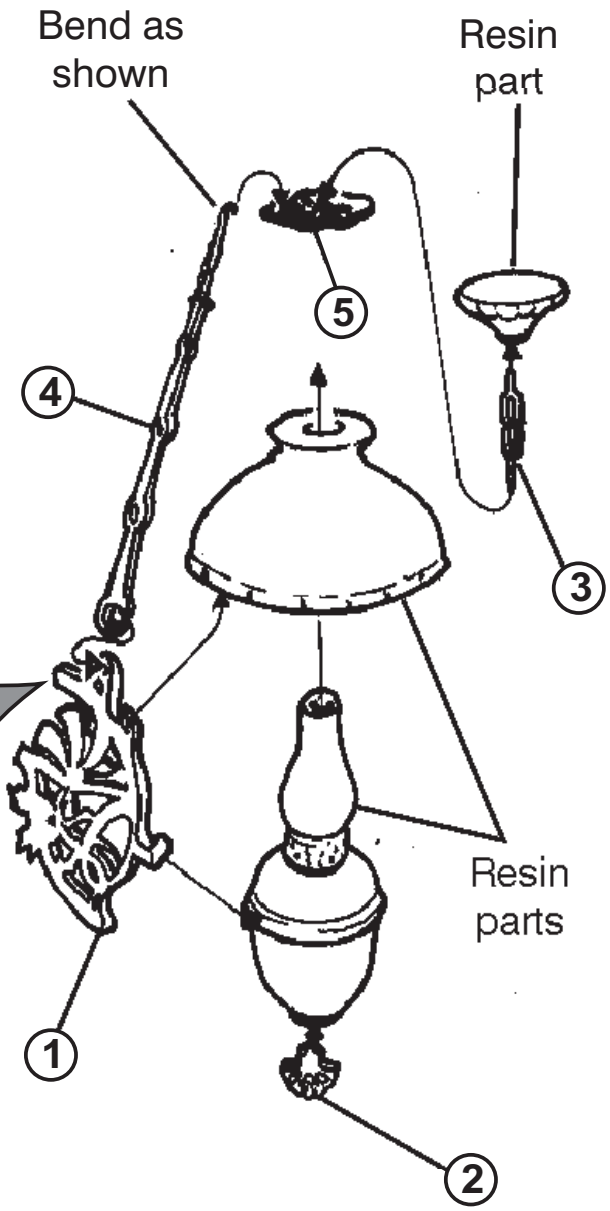

Antique chandelier

No. 054
1/35

microdetails set

For best results in the assembling of photo-etched and resin parts use cyanoacrylate glue.
Always remember to use cyanoacrylate glue in a well ventilated area.
Note that some particulars illustrated in the instructions have been enlarged for easy identification.

Repeat the same operation for the other two arms.
